RFQ #2016-02 Tree Trimming and Removal Services

1. OVERVIEW

The Town of Windermere is soliciting qualifications and bids from tree vendors to provide tree trimming, tree removal, and stump grinding services on the public rights-of-way and Town facility grounds throughout the Town of Windermere. Vendor shall furnish all labor, materials and equipment necessary to complete assignment.

It is the intent of the Town to award on an as needed basis with the selection of a Primary and Secondary Vendor, where Primary gets first opportunity. If the Primary Vendor is unavailable/unable to provide service in the manner as required by the Town or to meet the scheduling requirements as listed in the RFQ, the Secondary will be utilized. Repeated failure by either Vendor to meet the scheduling needs of the Town may result in the contract termination.

CONTRACT PERIOD: The terms of this agreement shall be effective for one (1) year from the date of award (estimated to be October 13, 2016). The agreement may be extended by mutual agreement for an additional one (1) year period with the option to negotiate pricing, terms and conditions. The Town of Windermere will notify the vendor in writing ninety (90) days or more prior to the expiration of the agreement as to its intent to renew the agreement.

Vendors interested in providing these service are instructed to submit three (3) bound copies, one (1) unbound original, and one (1) electronic copy (CD: PDF Format) of their qualifications and pricing pertinent to the scope of work prior to 5pm Eastern Standard Time, September 2, 2016, to the attention of Scott A Brown, Public Works Director, 614 Main St. Windermere, FL 34786. Qualification documents received after this date and time will not be considered. The Town of Windermere reserves the right to reject any and all qualification documents received, to solicit new qualification documents, or take any other such actions that may be deemed to be in the best interest of the Town of Windermere. The Town of Windermere is an Equal Opportunity Employer. MBE/WBE/DBE businesses are encouraged to participate. The Town of Windermere strictly enforces open and fair competition.

RFQ #2016-02 Tree Trimming and Removal Services

2. SUBMISSION REQUIREMENTS

Bidders are invited to submit qualifications documents to the Town of Windermere RFQ #2016-02 Tree Trimming and Removal Services.

Requirements for submission and selection criteria may be obtained from the Town of Windermere's web site at www.town.windermere.fl.us. All questions pertaining to this Request for Qualifications (RFQ) should be directed, in writing, to Scott A Brown, Public Works Director 614 Main St. Windermere, FL 34786, by facsimile (407) 876-0103, or by email sbrown@town.windermere.fl.us. Any addenda to this RFQ shall be made on the Town web site. It is the sole responsibility of those submitting an RFQ to check the web site for addendums. These questions are due by August 15, 2016. Final addenda will be posted by August 19, 2016.

Proposers must submit one (1) original response unbound marked "Original", three (3) bound copies marked "Copies", and one (1) electronic copy (CD; PDF Format) of the submittal in a sealed envelope clearly marked on the outside with the Proposers name and "RFQ #2016-02 "Tree Trimming and Removal Services" addressed and delivered to:

**Att: Scott A Brown, Public Works Director
614 Main Street
Windermere, FL 34786**

All qualifications must be received by Scott A Brown before 5:00pm September 2, 2016. Any qualifications received after this date and time will be automatically rejected. Materials may be delivered by Certified Mail, Return Receipt, hand delivered or couriered. Faxed or emailed proposals will be automatically rejected. Hand delivered qualification documents may request a receipt. If sent by mail or courier, the above mentioned envelope shall be enclosed in another envelope addressed to the entity and address stated above. Proposers should be aware that certain "express mail" services will have to meet the required time frame of submittal or be deemed automatically rejected. It is the sole responsibility of the Proposer to ensure their proposal is received in a timely manner.

The Town of Windermere reserves the right to reject any and all proposals, to waive informalities in any or all qualification documents, to re-advertise for RFQ's, and to separately accept or reject any item or items and to negotiate contracts in the best interest of the Town of Windermere.

While every effort has been made to ensure the accuracy and completeness of the information in this RFQ we recognize that the information may not be complete in every detail and that all work may not be expressly mentioned in these specifications. It is the responsibility of the proposing company to include in their proposal all pertinent information in accordance with the objectives of the Town.

RFQ #2016-02 Tree Trimming and Removal Services

5. SCOPE OF SERVICES

PROJECT SCOPE

Town of Windermere is seeking to contract with a qualified vendor to provide all labor, materials, personnel and equipment needed to conduct the maintenance and emergency tree trimming and removal services in the Towns Rights-of-Way and facility grounds.

5.01.1 Services will include the following to the extent approved by the Town Council and/or Town Manager

GENERAL

1. **License/Certification:** Bidder must list on the Price Sheet their current occupational license (business tax receipt) for the municipality in which they are registered. Bidder shall also list any other licenses/certifications which are not required but may be relevant to services listed herein, such as arborist, horticulturalist, pesticide, M.O.T., nursery, etc. The lowest, most responsive bidder shall submit copies of all licenses/certifications listed within five (5) business days' notice.
2. **Maintenance of Traffic:** Vendor will be responsible for all traffic control per FDOT specifications. If any work that requires M.O.T. is done on Town owned roadways, a M.O.T. certified employee will be required on site.
3. **Compliance:** Vendor shall comply with the most current revision of A.N.S.I. Z-133.1 and A300, Standard for Tree Care Operations for pruning, trimming, and removal of trees.
4. **Communication:** Vendor's staff working on site shall be equipped with a cell phone or smart phone; cell phone and smart phone numbers must be kept up to date and any changes must be IMMEDIATELY communicated to the Town Public Works Department for distribution to Town departments. In the event that the awarded Vendor can begin work at the time of the site visit, Vendor's authorized representative must have the estimate forms with them at all times so that authorized Town staff can approve work in writing before work begins. Vendor's owner/authorized representative must be equipped with the technology capable of receiving email outside of the office.
5. **Hourly Rates:** For the purpose of the Qualification, and all hourly rates for trimming and removal services shall be based on a minimum THREE (3) person crew and shall be PER CREW HOUR. If vendor chooses to provide additional staff to their crew, the rate SHALL NOT change.
 - Hourly rates are to include any equipment normally utilized in tree trimming and tree/stump removal operations and include (but not limited to): bucket trucks,

RFQ #2016-02 Tree Trimming and Removal Services

stump grinders, chippers, chipper trucks, loader trucks, chainsaws, other tools normally used in tree maintenance operations, labor, materials, travel time, traffic control as required, and any other costs (including overhead).

- In the case of hourly rates, time starts when the vendor arrives and begins working at the site; **Town Of Windermere will not pay ANY travel charges**, including fuel surcharges, during the course of this agreement.
6. **Work Hours:** All tree trimming services shall be performed between the hours of 7:00 a.m. and 5:00 p.m. Monday – Saturday, unless otherwise approved by the Town (such as an emergency situation, see below).
 7. **Non-Emergency Response Time:** Vendor shall return phone calls/emails request for non-emergency work within 24 business hours of the phone call/email from the town representative. Vendor will then have no more than three (3) business days to visit the site and provide an estimate for work to be performed. **From the time estimate is approved, vendor will have seven (7) calendar days to finish the job. This includes site clean-up and hauling.**
 - These response time requirements may be waived by the individual Town representative, in writing (email or fax or work/correspondence log maintained by department representative).
 - If the primary vendor cannot meet the above time frames, the secondary vendor will be contacted. Repeated failure to meet the time frames as listed may result in contract termination.
 8. **Emergency Response:** Vendor will be required to respond within two (2) hours in emergency situations. Emergency trim and removal situations are designed to remove specific branch(s)/trees which are a clear and present hazard. Emergency response Rate shall be a flat hourly rate which begins from the time the vendor arrives on site. Emergency Response Rate shall be any work required within two (2) hours and may occur during normal business hours as listed above or after hours.
 - Vendor shall prioritize emergency work as “first priority” for the Town above all other jobs and must complete emergency work (including site clean-up and hauling) within time approved by the Town representative.
 - If the primary vendor cannot meet the above time frames, the secondary vendor will be contacted. Repeated failure to meet the time frames as listed may result in the contract termination.
 9. **Hazardous or Power Line Removal:** Hazardous conditions shall be defined as work on which lift equipment is not accessible due to: water separated property or trees in a body of water; tree which abut power lines or transformers; trees which are not accessible due

RFQ #2016-02 Tree Trimming and Removal Services

to permanent building structures. All trees designated as hazardous due to location and or deteriorated condition shall be removed at the hourly rate charge. **Hazardous conditions must be agreed upon by BOTH the Vendor and the Town Representative PRIOR to work start, including the presence of hazardous conditions and the estimated number of hours to complete the work in the hazardous conditions.** Hazardous conditions will be noted on the estimate and the invoice and shall include the number of hours to complete the work, the hourly rate, the time work started and stopped, any additional discounts on the bid rates negotiated with the Vendor, and the name of the Town Staff member who agreed to the hazardous conditions designation and the rate bid.

10. **Estimate Preparation:** The Town may make exceptions to this process in case of emergencies. Deviations from the estimate/quote submittal process are at the Town's discretion.

- The Vendor shall be given a scope of work for each project and shall be required to visit the site. To expedite estimate preparation, the Town may elect to provide the vendor with emailed photos of the site in lieu of a site visit. It is the Vendor's responsibility to ensure they have all the information to prepare accurate estimates/quotes.
- The Vendor's estimate/quote to the Town for completing the work shall include the number of days to complete the work and the total price to complete the work. The Vendor should outline in their estimate/quote specific information including: 1) the bid rate for the removal, trimming or stump grinding, including the size of the tree(s)/stumps(s); 2) if applicable, the hourly rate, the estimated number of hours, and the description of hourly work needed (hazardous removal, trimming, emergency, etc.); 3) any discounts off of the bid rates offered for the project on a case-by-case basis; 4) THE NAME OF THE TOWN STAFF PERSON WHO AUTHORIZED THE WORK WITH THE VENDOR; 5) and the permits cost, if applicable.
- The Estimate/quote provided shall be firm; no increased will be permitted or approved unless unforeseen circumstances arise. If, during performance of the work, additional work is determined to be required, a written proposal must be provided to the Town for approval before any additional work is performed.
- If the Vendor fails to submit estimates on the more than three (3) occasions, the agreement may be considered in default, and no further estimates shall be requested from the contractor under this RFQ.
- The Town reserves the right to disapprove the estimate/quote and shall have no obligation to issue a Purchase Order for the work.

RFQ #2016-02 Tree Trimming and Removal Services

11. **Right to Request Quotes:** The Town reserves the right to quote with both the Primary and Secondary awarded vendors and award to the lowest, most responsive quote for any of the following reasons:
- At the Town's discretion for large, complex projects whose estimates value exceeds \$5,000, where the Town wishes to have the vendors offer special project discounts off their rates bid;
 - At the Towns' discretion when the Town requires a specialized type of employee or equipment that the Primary vendor does not have readily available;
 - At the Town's discretion for trees which exceed the type and size specified on the Price Sheet.
12. **Site Clean Up:** The Awarded vendor shall clean up the site to include removal and disposal of all debris at the end of each day's operation unless otherwise approved by the Town. Vendor shall remove sawdust, small twigs, chips, leaves, trunks, and limbs from the street, parking lot, and sidewalks. All sites are to be restored to equal or better pre-work condition prior to service. Vendor is responsible for the Solid Waste disposal fees or other governmental/municipal fees.
13. **Invoice Requirements:** Each invoice MUST include adequate detail to identify each service call. At a minimum the detail shall include the following: the date of the service call, service location, the size of the tree removed (DBH), trimmed (tree height), or stump ground (diameter), the staff member present who met the vendor on site and/or verified the work, the number of hours worked and the applicable hourly rate and/or applicable rate per tree/stump and quantity, the time the work commenced and concluded, and any discounts offered on the bid rates.

SCOPE OF WORK

14. **Tree Removal Services**
- All Services listed shall include equipment, labor, materials, travel, overhead, etc.
 - Tree diameter shall be determined at Diameter Breast Height (DBH). DBH will be measured in full inches at four and one half (4 1/2) feet above ground level.
 - Service includes cutting down as close to ground level as possible, but no higher than a height of three (3) feet above the ground, and haul/clean away all cuttings and materials within three (3) hours of finishing tree work.
 - Stumps will be ground down below the surface (see Stump Grinding scope below).
 - For Brazilian Pepper Trees: basal stump herbicidal treatment expenses will be reimbursed by the Town. List as a separate line item on the quote and invoice. The Town reserves the right to request proof of purchase price from the vendor before payment is made.

RFQ #2016-02 Tree Trimming and Removal Services

15. Tree Trimming/Thin out Limbs

- The foliage pattern shall be evenly distributed and maintained desired form.
- Remove one or more branches localized in a particular area of the crown. No more than 1/3 of the tree crown shall be removed unless otherwise specified in the work order.
- Hat racking, topping, heading back, lopping, stubbing, lion-heading, stripping or rounding-over trees are not permitted unless specifically written in the work order document.
- Climbing spikes are NOT permitted unless the tree(s) are designated for removal.
- Remove any branches which may interfere with nearby building(s) integrity.
- All final cuts shall be made at the branch collar per ANSI A300 standards.
- Reduce the ends of the branches and reduce weight where excessive over-burden will result in breakage of the supporting limbs.
- Remove any exposed roots which restrict the base of the tree.
- Remove any branches which interfere with the tree's structural strength and health development, such as limbs which rub a more important branch or are weak in structure.
- Remove/cut any previously or improperly cut limbs.
- Trimming of palm tree limb(s) to 9-3 cut and remove any dead palm fronds. Tree(s) to remain viable on grounds.

16. Stump Grinding/Removal

- a. All tree stumps and major roots projecting through or appearing at the surface must be removed at least six inches (6") below the lowest soil level adjacent to the stump, or until deep roots are no longer encountered.
- b. Holes created by the stump and root grinding must be filled, graded and compacted with soil the same day. Vendor shall use material similar to that found in the hole and surrounding tree base, approved as acceptable by the Town.
- c. Before filling holes, all routing chips and debris shall be removed from the hole and hauled from the site.
- d. Clean up the site to include removal and disposal of all debris at the end of the each days' operations; see Site Clean Up specification above.

6. SPECIAL CONDITIONS

LAW COMPLIANCE

The vendor shall not do or keep anything on Town rights-of-way or on Town property which will in any way conflict with any law, ordinance, rule, or regulation which may or hereafter be enacted or promulgated by any governing public authority or create a safety

RFQ #2016-02 Tree Trimming and Removal Services

hazard, nuisance, or in any way obstruct or interfere with the rights of others, except as reasonably required in the performance of the obligations and functions there under, or commit or suffer to be committed any waste or use that is improper, immoral, or unlawful. The vendor shall preform obligations and functions in the compliance with the applicable laws of the United States, State of Florida, Orange County, Town of Windermere, any rules, regulations or directives of any agency thereof. Any violations of this provision will be deemed by the Town to be default of the agreement.

PERMITS

It will be the Vendors responsibility to obtain any necessary permits required to provide any service. These permits shall be readily available for review by the Town. In addition, a copy of issued permit should be provided to the Town for their records. The Town will be responsible for reimbursing the Vendor for the permit fees. Permits needed for a specific project should be clearly stated as a separate line item on all quotes and invoices; the contractor shall not mark-up permit fees. If necessary, the Town may request a copy of the permit receipt before reimbursement occurs. The Town may elect to pull its own permits in the interest of time and/or cost savings.

WORKERS COMPENSATION

All vendors are required to carry Workers' Compensation insurance, regardless of the number of workers, when preforming work for the Town. Coverage shall be for all employees directly or indirectly engaged in work on the project in this document, with limits of coverage as required by State Law. **Awarded vendor is to provide or obtain all required insurance coverage in accordance with the attached Indemnification & Insurance Form within five (5) business days' notice of intent award.**

Bidders of joint venture or of multiple business association shall not be accepted and shall be automatically rejected. There shall be **no subcontracting** of any tree removal service in this agreement.

REFERENCES

- a. Bidder must have at least five (5) years of verifiable, commercial tree service experience per reference check form.
- b. Bidder shall provide a minimum of three (3) (maximum of five (5)) references of verifiable commercial accounts that have been serviced by the bidder company that demonstrates services are currently being performed without complaint, and the Bidder's ability and willingness to resolve customers' complaints is handled expeditiously and professionally.

RFQ #2016-02 Tree Trimming and Removal Services

References must be included to reflect this in order to be considered for an award. Information shall include: contact person (i.e., owner, director, supervisor, or manager) including telephone numbers, fax numbers, email address, address, contract date period, and any contract terminations. This information must be accurate and complete in order to be considered for an award to prove that the Bidder is providing service to a satisfactory standard. Written references cannot be substituted.

- c. Bids will only be considered from companies normally engaged in providing the type of service specified herein. The Town reserves the right to inspect the vendor's facilities, equipment, personnel, and organization at any time or to take any other action necessary to determine the vendor's ability to perform. The Town reserves the right to reject bids where evidence or evaluation is determined to indicate inability to perform, at the sole and absolute discretion and opinion of the Town.

PROTECTION OF PROPERTY/SECURITY

- a. The awarded vendor shall provide all barricades and take all necessary precautions to protect property, personnel and the public.
- b. The awarded vendor shall notify the requesting department in writing of the site having pre-existing damage to structures, parkways, sidewalks, curbs, roadways, swales, adjacent improvements, etc. before beginning work.
- c. The awarded vendor shall at all times guard against damage or loss to property of the Town of Windermere, the public, or of other vendors or contractors, and shall be held responsible for replacing or repairing any such loss or damage in a manner acceptable to the owner. If the vendor cannot immediately rectify any loss or damage, the vendor must provide a temporary solution acceptable to the Town of Windermere and, if applicable, the Property Owner on the same day damage occurs, before leaving the site. A permanent replacement or repair to the loss or damage in a manner acceptable to the Town and the Owner must be made as soon as possible, but no more than **FIVE (5) days after the initial damage (unless otherwise approved by the Owner)**. The Town may withhold payment or make such deductions as deemed necessary to insure reimbursement or replacement for the loss or damage to property through negligence of the awarded vendor or their agent.
- d. The awarded vendor shall at all times guard against injury to Town of Windermere employees, the public, and its staff. The awarded vendor shall be solely and completely responsible for the initiating, maintaining, and supervising all safety precautions and shall provide the necessary protection to prevent injury to all employees on the work site and other persons including, but not limited to, the general public who may be affected thereby.
- e. The awarded vendor shall at all times protect all utilities from damage and shall immediately contact the appropriate utility if damage has occurred, and shall be responsible for all claims of damage due to this operation. The vendor shall make arrangements with

RFQ #2016-02 Tree Trimming and Removal Services

the utility for removal of necessary limbs and branches which may conflict or create a personal injury hazard on the removal of the tree. The Vendor is responsible to have all underground utilities located, if necessary, before any work begins.

9. INDEMNIFICATION AND INSURANCE

9.01.1 Indemnification and Hold Harmless

The Town shall be held harmless for any and all claims, liability, losses and causes of action which may arise out of its fulfillment of the contract awarded pursuant to this RFQ. It agrees to pay all claims and losses, including related court costs and reasonable attorneys' fees, and shall defend all suits filed due to the negligent acts, error or omissions or Respondent employees and/or agents.

The Respondent agrees to indemnify the Town and pay the cost of the Town's legal defenses, including fees of attorneys as may be selected by the Town, for all claims described in the hold harmless clause herein. Such payment on behalf of the Town shall be in addition to any and all other legal remedies available to the Town and shall not be considered to be the Town's exclusive remedy.

In the event the completion of a project awarded pursuant to this RFQ (to include the work of others) is delayed or suspended as a result of the Respondent's failure to purchase or maintain the required insurance, the Respondent shall indemnify the Town from any and all increased expenses resulting from such delay.

It is agreed by the parties hereto that specific consideration has been received by the Respondent/Vendor under the agreement for this hold harmless/indemnification provision.

9.01.2 Insurance Requirements

The vendor providing services under this agreement will be required to procure and maintain, at their own expense and without cost to the Town, until final acceptance by the Town of all products or services covered by the RFQ or contract, the following types of insurance. The policy limits required are to be considered minimum amounts:

General Liability Insurance policy with a \$1,000,000 combined single limit for each occurrence to include the following coverage: Operations, Products and Complete Operations, Personal Injury, Contractual Liability covering this RFQ/contract, "X-C-U" hazards, and Errors & Omissions.

Auto Liability Insurance which includes coverage for all owned, non-owned and rented vehicles with a \$ 1,000,000 combined single limit for each occurrence.

Workers' Compensation and Employers Liability Insurance covering all employees of the vendor and subcontractors, as required by law.

DRUG FREE WORKPLACE CERTIFICATION

In order to have a drug-free workplace program, a business shall:

1. Publish a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the workplace and specifying the actions that will be taken against an employee for violations of such prohibition.
2. Inform employees about the dangers of drug abuse in the workplace, the business's policy of maintaining a drug free workplace, available drug counseling, rehabilitation, and employee assistance programs, and the penalties that may be imposed upon employees from drug abuse violations.
3. Give each employee engaged in providing the commodities or contractual services that are under this solicitation a copy of the statement specified in subsection (1) above.
4. In the statement specified in subsection (1), notify the employees that, as a condition of working in the commodities or contractual services that are under this solicitation, the employee will abide by the terms of the statement and will notify the employee of any conviction of, or plea of guilty or nolo contendere to, any violation of Chapter 893 or of any controlled substance law of the United States or any state, for a violation occurring in the work place no later than five (5) days after such conviction.
5. Impose a sanction on, or require the satisfactory participation in, a drug abuse assistance or rehabilitation program if such is available in the employee's community, by any employee who is so convicted.
6. Make a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

As the person authorized to sign the statement, I certify that this firm complies fully with the above requirements.
