September food truck night notes:

Set up was fine

Great crowd. Very strong. Awesome to see.

The community theatre event was super cute. Although it was amateurish, but it was done with such passion I found it surprisingly charming. This song takes place in a musical in a small town. And to see it lip-synched on the steps of Town Hall in a real town was soooo charming. I may be the only person who felt that way but I think it's worth noting. Also, when they handed out the trumpets, that was a very fun/Disney moment. For about ten minutes there was nothing but the tooting of little toy trumpets.

He didn't do anything for which any action needs to be taken. I just want to note this event in case more come up in the future. Willy T's was not polite when reminded he cannot leave his trash for the Town to clean up. He got in my face and was angry. He then brought up things outside of Windermere food truck night that he was made with me about. I told him I could not discuss those things while working for the Town of Windermere. He calmed down. He is a bad egg and generally is a nuisance. My company doesn't work with him outside of Windermere anymore.

Decent/fine attendance

Culture Fresh need to have their prices listed when they return. They weren't listed.

All four new trucks had issues with the plugs and adapters and outlets. We aren't giving good customer service. Please someone from the electricity department come out here every single month for six months while trucks are loading in and see what I am seeing, write down observations, and tell us what the City needs to change and edit on our application, and help us help these trucks have a smooth experience at this venue.

One of tonight's cop rode a golf cart through pedestrian traffic all night. I've never seen a policeman do that here before. Also, I observed two cops I've never seen before sitting in the golf cart not escorting people across the street once. I've never seen cops use a golf cart on this property. Is this new and standard from now on?

Hope this email finds you well and I look forward to working with you again!

Thank you for your interest in the Town of Windermere Family Food Truck Events. The event is organized by Mark Baratelli of The Daily City; but is owned by the Town of Windermere.

Please read and review the rules and regulations for the event prior to completing this application

PLEASE INITIAL EACH STATEMENT & SIGN

A \$150 fee is due no later than one (1) week prior to each Windermere Food Truck event, and is payable by credit card (Visa, MasterCard, or Discover. American Express not accepted). Credit Card Authorization Forms can be obtained from Diane Edwards (dedwards@town.windermere.fl.us). Please notify Diane as soon as you cancel or change cards, and she will provide you with a new form. It is the sole responsibility of the vendor to provide accurate and current payment information: the Town of Windermere is not responsible for any overdraft or overage fees associated with the card on file.

A A copy of your Certificate of Liability Insurance with the Town of Windermere (614 Main Street, Windermere, FL 34786) listed as the Certificate Holder, Local Business Tax Receipt, and State of Florida Mobile Food Dispensing Vehicle License.

A Vendor is required to provide a trash can with a lid. Removal of trash and clean up in your area is required; even if it is not yours.

A Arrival time is 3:00pm. Set-up must wait until all trucks are in place. Trucks will stage in designated area prior to entering event space.

A Vendor is to provide their own power supply that will connect to the Town's electrical supply. All power cords that are in the service area must be secured to the ground to avoid accidents per Florida State Law. The Town of Windermere does supply an adapter for \$100.

614 MAIN ST. WINDERMERE, FL 34786
OFFICE: (407) 876-2563 FAX: (407) 876-0103

X Vendor must identify the amount of amperage needed to run the Truck during the event. Please review the attachment for the appropriate plug and amp size. We also have a 20 amp that utilizes the standard 3 prong plug.

X Vendor is required to hook up to the Town's electrical outlets. No generators will be allowed.

X Should a Vendor show up without the appropriate hookups or is unable to connect to the Town's power supply, they will be asked to leave the event, if prior to 4:30pm. Should this occur after 4:30pm, the Vendor will need to close down their Truck and not allow service. They will not be allowed to remove their Truck until after the event has ended.

X Service time is from 5:00pm until 9:30pm. NO EXCEPTIONS!

X Arrival time is 3:00pm. Set-up must wait until all trucks are in place. Trucks will stage in designated area prior to entering event space.

X Each truck should be prepared to serve approximately 250-300 people. Packing and cleaning up is permitted if you sell out prior to 9:30pm. Your truck must remain lit and accessible to optimize a professional look.

X Each vendor must collect 6.5% on all taxable sales.

X The Town of Windermere reserves the right to alter scheduled dates, rotations, Truck participation, and Truck availability based on cuisine, amperage, and conduct of participants.

X If your truck is scheduled for a Town of Windermere Food Truck Night event, and cannot attend for any reason, it is the vendor's responsibility to find a suitable replacement. The Event Manager, Mark Baratelli (mark@thedailycity.com 407-308-1417), will provide you with a contact list. This list can be used to send an all-call email to every approved Truck, requesting a replacement. When a replacement is found, the original Truck will call, text, or email Mark for final approval. The replacement Truck must be cleared by Mark (*some replacements may not be approved for various reasons, ex: If the replacement truck serves lobster, and another lobster truck is already scheduled, the replacement truck will not be approved*), **AND** must be a Windermere-approved truck.

X If a truck is scheduled for a Windermere Food Truck Night Event, and fails to show up, or does not find a suitable replacement, that truck forfeits their \$150 fee to the Town of Windermere.
