January 25 event:

Attendance - strong

Weather - perfect

Issues - none

Request - Please ask the city to move the street barriers after the farmers market from where they are when their event ends (on the right side of the library parking lot entrance) to where they need to be food food truck night (at the end of the street). Please do this as soon as possible because residents are driving into the parking lot for the only reason that there signs aren't in place at the correct time.

Thank you!
