Jackie Rapport
Andy Williams

Open forum/Public comments

None

Approval of minutes

A motion to approve by Hannah was seconded by Theresa. Minutes from last month were approved.

A presentation was given by Kathleen Klare on two notable people, C.W.G. Efrig and Bert Foster, who lived in the town in the early 20th century.

Old Business

A discussion of the "Buy a Brick" program resulted in the decision to put that on hold until the spring of 2020. Motion presented by Jackie, seconded by Mary Fran.

New Business

Update of Oral History Project

- Applications for the role of interviewer are coming in. Soon there will be a selection committee meeting to choose the interviewers.

- A discussion of possible grants to support the Oral History Project. One from the Florida Humanities Council seems promising and Theresa will pursue it.

- The grant discussion pointed out the fact that we need a good budget to submit as part of the grant writing process. That is being worked on by members of that sub-committee.
