Q Vendor is to provide their own power supply to connect to the Town's electrical supply. All power cords that are in the service area must be secured to the ground to avoid accidents per Florida State Law. The Town of Windermere does supply an adapter for \$100. Please ensure your cord is the appropriate length.

Q Vendor must identify the amount of amperage needed to run the Truck during the event. Please review the attachment for the appropriate plug and amp size. We also have a 20 amp that utilizes the standard 3 prong plug. It is the Vendor's responsibility to ensure they have the correct plug and to understand their own power needs. The Town will not be responsible for any damages caused by power.

Q Vendor is required to hook up to the Town's electrical outlets. No generators will be allowed.

Q Should a Vendor show up without the appropriate hookups or is unable to connect to the Town's power supply, they will be asked to leave the event, if prior to 4:30pm. Should this occur after 4:30pm, the Vendor will need to close down their Truck and not allow service. They will not be allowed to remove their Truck until after the event has ended.

Q Service time is from 5:00pm until 9:30pm. NO EXCEPTIONS!

Q Each truck should be prepared to serve approximately 250-300 people. Packing and cleaning up is permitted if you sell out prior to 9:30pm. Your truck must remain lit and accessible to optimize a professional look. The event ends at 9:30pm. It is the Vendor's responsibility to ensure they are not preparing/serving food or collecting payments after 9:30pm. Habitual disregard will affect ability to participate in future events.

Q Each vendor must collect 6.5% on all taxable sales.

Q The Town of Windermere reserves the right to alter scheduled dates, rotations, Truck participation, and Truck availability based on cuisine, amperage, and conduct of participants.

A If your truck is scheduled for a Town of Windermere Food Truck Night event, and cannot attend for any reason, it is the Vendor's responsibility to find a suitable replacement. The Event Manager, Mark Baratelli (mark@thedailycity.com 407-308-1417), will provide you with a contact list. When a replacement is found, the original Truck will call, text, or email Mark for final approval. The replacement Truck must be cleared by Mark (*some replacements may not be approved for various reasons, ex: If the replacement truck serves lobster, and another lobster truck is already scheduled, the replacement truck will not be approved*), **AND** must be a Windermere-approved truck.
