

**Windermere Historic Preservation Board Special Meeting**  
**17 Nov 2020**  
**Agenda**

The 1887 schoolhouse is rapidly deteriorating, mostly due to rain splashing on the siding from the sidewalks.

We need to vote whether we think it's a good idea to remove the sidewalk and while they are at it the parking spot.

Here is the two-part proposal:

1. Should the Windermere Public Works Department remove and dispose of the concrete sidewalk that surrounds the 1887 Historic School House?
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
  
2. Should the Windermere Public Works Department remove and dispose of the concrete parking pad that is in front of the 1887 Historic School House?
