Approval of Minutes – Mary Fran makes a motion to approve. Amanda seconds. Approved unanimously.

Old Business - None

New Business

1. Presentation by Alexander Matteson, prospective Eagle Scout

Alexander asks members if they have a preference on project, and George suggests a brick path from the school house to the outhouse. Jackie can supervise as a member of the garden club. The first step will be to clear the path. The garden club typically maintains it. Alexander recommends river rock instead of bricks. Amanda recommends gravel instead of river rock. Jackie suggests crushed shell. Members discuss a brick border to coordinate with the engraved bricks. George asks Alexander to research materials for border, fill and prices. Alexander asks if we want the path straight or curved. George suggests an organic path and no landing is necessary.

2. Ideas for brick campaign

George suggests an antique rose garden and a brick courtyard. Andy suggests getting a plat. Amanda offers to get a landscape drawing done. Jackie would like everyone to meet on site to discuss a plan.

Non-Agenda Items

1. There was a well recovered from the 1916 school house and George would like to display it at 1887.
2. The original plans were found and will be framed and displayed in the new lobby. The town has asked HPB to come up with verbiage for the plaque.
3. George and Tom will be making repairs to the schoolhouse on Friday morning.

Liaison Report - Groundbreaking ceremony this Monday, January 11th at 10am.

Adjourn – 7:28 pm
