Parks Updates

- A.** Windermere Rec Center – Moved configuration of playground equipment and everything fits fine in the required space. Price for the equipment also remains the same. The PR Committee is now waiting on approval via a Public Meeting to get input from residents.

Pickleball – The PR committee is also waiting on a scheduled public meeting to get formal feedback from residents. The committee is waiting on a new quote from Varsity Courts after their first quote which did not include consistent surface leveling to 1 degree. The courts will need to stay in same footprint to avoid additional permitting and/or approval issues.

New pavers leading from the sidewalk to the tennis courts are a few weeks out. This installation has been scheduled with the vendor.

- B.** PR Website – The PR website from the Town web page is looking good. A new contacts link will be added to facilitate easier resident contacts.

Adjournment – The meeting was adjourned at approximately 6:00 p.m.

The next regular meeting is scheduled for Thursday, September 10th at 5:00 p.m. in Town Hall.
