LG Vendor is to provide their own power supply; either to connect to the Town's electrical supply. No generators are permitted. All power cords that are in the service area must be secured to the ground to avoid accidents per Florida State Law. Please ensure your cord is the appropriate length.

LG If a vendor wishes to connect to the Town's power, the vendor must identify the amount of amperage needed to run the Truck during the event. **Please review the attachment for the appropriate plug and amp size**. We also have a 20 amp that utilizes the standard 3 prong plug. It is the Vendor's responsibility to ensure they have the correct plug and to understand their own power needs. The Town will not be responsible for any damages caused by power.

LG Prior to 4:30pm: Should a Vendor arrive without the appropriate hookups, is unable to connect to the Town's power supply, they will be asked to leave the event. LG Each vendor must collect 6.5% on all taxable sales.

LG The Town of Windermere reserves the right to alter scheduled dates, rotations, Truck participation, and Truck availability based on cuisine, amperage, and conduct of participants.

LG If a truck is scheduled for a Town of Windermere Food Truck Night event, and cannot attend for any reason, it is the Vendor's responsibility to find a suitable replacement.
