AGENDA

At the November 14th Town Council meeting the Council discussed the possibility of making roadway improvements to a half block of West 5th Avenue from approximately Windermere Brewing to Forest Street. The purpose of creating a hard surface at this small section of West 5th is to increase ADA-accessibility for those attending events, improve access for those visiting our local businesses/partners, and add additional parking better suited to these events.

The purpose of this workshop is to discuss the proposed plans, answer questions, and receive feedback.
