COMMENTS: _____

This is a residential neighborhood, already dealing with terrible traffic problems. This will bring more traffic on our streets and push parking on Oakdale + Magnolia.

RECOMMEND - Downtown Windermere Properties Final PUD and Major Site Plan

APPROVAL: _____ DISAPPROVAL: X

COMMENTS: I believe it will have negative

consequences for the towns character and
property values. Windermere is a town that values
old time charm & rural character. Auto traffic
is awful so we dont need to bring in more.
