(1) A person seeking to qualify for election to the office of circuit judge or county court judge or the office of school board member may qualify for election to such office by means of the petitioning process prescribed in this section. A person qualifying by this petition process is not required to pay the qualifying fee required by this chapter.

(2) The petition format shall be prescribed by the Division of Elections and shall be used by the candidate to reproduce petitions for circulation. If the candidate is running for an office that will be grouped on the ballot with two or more similar offices to be filled at the same election, the candidate's petition must indicate, prior to the obtaining of registered electors' signatures, for which group or district office the candidate is running.

(3) Each candidate for election to a judicial office or the office of school board member shall obtain the signature of a number of qualified electors equal to at least 1 percent of the total number of registered electors of the district, circuit, county, or other geographic entity represented by the office sought as shown by the compilation by the Department of State for the last preceding general election. A separate petition shall be circulated for each candidate availing himself or herself of the provisions of this section. Signatures may not be obtained until the candidate has filed the appointment of campaign treasurer and designation of campaign depository pursuant to s. 106.021.

(4)(a) Each candidate seeking to qualify for election to the office of circuit judge or the office of school board member from a multicounty school district pursuant to this section shall file a separate petition from each county from which signatures are sought. Each petition shall be submitted, prior to noon of the 28th day preceding the first day of the qualifying period for the office sought, to the supervisor of elections of the county for which such petition was circulated. Each supervisor of elections to whom a petition is submitted shall check the signatures on the petition to verify their status as electors of that county and of the geographic area represented by the office sought. No later than the 7th day before the first date for qualifying, the supervisor shall certify the number shown as registered electors and

submit such certification to the Division of Elections. The division shall determine whether the required number of signatures has been obtained for the name of the candidate to be placed on the ballot and shall notify the candidate. If the required number of signatures has been obtained, the candidate shall, during the time prescribed for qualifying for office, submit a copy of such notice and file his or her qualifying papers and oath prescribed in s. 105.031 with the Division of Elections. Upon receipt of the copy of such notice and qualifying papers, the division shall certify the name of the candidate to the appropriate supervisor or supervisors of elections as having qualified for the office sought.

(b) Each candidate seeking to qualify for election to the office of county court judge or the office of school board member from a single county school district pursuant to this section shall submit his or her petition, prior to noon of the 28th day preceding the first day of the qualifying period for the office sought, to the supervisor of elections of the county for which such petition was circulated. The supervisor shall check the signatures on the petition to verify their status as electors of the county and of the geographic area represented by the office sought. No later than the 7th day before the first date for qualifying, the supervisor shall determine whether the required number of signatures has been obtained for the name of the candidate to be placed on the ballot and shall notify the candidate. If the required number of signatures has been obtained, the candidate shall, during the time prescribed for qualifying for office, submit a copy of such notice and file his or her qualifying papers and oath prescribed in s. 105.031 with the qualifying officer. Upon receipt of the copy of such notice and qualifying papers, such candidate shall be entitled to have his or her name printed on the ballot.

105.036 Initiative for method of selection for circuit or county court judges; procedures for placement on ballot.

(1) A local option for merit selection and retention or the election of circuit or county court judges may be placed on the ballot for the general election occurring in excess of 90 days from the certification of ballot position by the Secretary of State for circuit court judges or the county supervisor of elections for county court judges. The ballot shall provide for a vote on the method for selection of judges not currently used for filling judicial offices in the county or circuit.

(2) Certification of ballot position for the method of selection of circuit court judges shall be issued when the Secretary of State has received a verification certificate from each supervisor of elections in a circuit indicating that the requisite number of valid signatures of electors in the circuit has been submitted and verified by the supervisor or supervisors of that circuit. Certification of ballot position for the method of selection of county court judges shall be issued when the supervisor of elections in a county indicates that the requisite number of signatures of electors in the county has been submitted to and verified by the supervisor. Each signature shall be dated when made and shall be valid for a period of 2 years following such date, provided all requirements of law are complied with.

(3) The sponsor of an initiative for merit selection and retention or election of circuit or county court judges must register as a political committee pursuant to s. 106.03.

(4) The Secretary of State shall adopt rules pursuant to ss. 120.536(1) and 120.54 prescribing the style and requirements of the circuit court and county court forms for collection of signatures.

(5) No later than 5 p.m. 151 days prior to the general election at which the proposed judicial selection initiative is to be voted on, the sponsor shall submit signed and dated forms to the appropriate supervisor of elections for verification as to the number of registered electors whose valid signatures appear thereon. The supervisor shall promptly verify the signatures upon payment of the fee or filing of the undue burden oath required by s. 99.097. Verification must be completed at least 91 days prior to the general election. Upon completion of verification, the supervisor shall execute a certificate indicating the total number of signatures checked and the number of signatures verified as valid and as being of registered electors of the applicable county or circuit. This certificate must be immediately transmitted to the Secretary of State for petitions related to the method of selection of circuit court judges. The supervisor must retain the signature forms for at least 1 year following the election in which the issue appeared on the ballot or until the committee that circulated the petition is no longer seeking to obtain ballot position as

determined by the Division of Elections for circuit court petitions or by the supervisor of elections for county court petitions.

(6) Upon a determination by the Secretary of State for circuit court petitions or by the supervisor of elections for county court petitions that the requisite number of valid signatures has been obtained, a certification of ballot position must be issued for the proposed method of selection of judges. A request to exercise a local option to change the method for selection of circuit or county court judges is deemed filed with the Secretary of State for circuit court judges or the supervisor of elections for county court judges upon the date of the receipt of a certificate or certificates indicating the petition has been signed by the constitutionally required number of electors.

(7) Within 10 days after each general election for which an initiative to change the method of selection of circuit or county court judges was placed on the ballot in any circuit or county in the state, the Secretary of State must notify the Chief Justice of the Supreme Court of Florida of the changed method for selection of judges for any circuit or county where the initiative passed.

(8) The Department of State shall have the authority to promulgate rules in accordance with ss. 120.536(1) and 120.54 to carry out the provisions of this section.
