## **WHO AM I?**

Hello! I'm Lilly, and I have a huge passion for photography and animals! I love capturing special moments with my camera. I am also a student at west orange high school, and an active member in my FFA chapter. This means I have lots of animals!

Currently, I own 3 rabbits, 5 chickens, and a sheep. All donations from the QR code go towards feeding them! Feel free to contact me about pet or event photoshoots! All information can be found through the QR code.
