They operate under the cottage, food act. There is no documentation required as long as they have the proper labeling on their product only but again the cottage fruit act allows people to bake goods at home and sell them to the public as long as they are not perishable And do not require heat or cold these Biscotti's fall under the cottage food act It can be a little confusing. Hope this helps. Thank you, Robert.

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 93-3568491. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

Taxpayers request an EIN for their business. Some taxpayers receive CP575 notices when another person has stolen their identity and are opening a business using their information. If you did **not** apply for this EIN, please contact us at the phone number or address listed on the top of this notice.

When filing tax documents, making payments, or replying to any related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear-off stub and return it to us.

Based on the information received from you or your representative, you must file the following forms by the dates shown.

Form 1065

03/15/2024

If you have questions about the forms or the due dates shown, you can call us at the phone number or write to us at the address shown at the top of this notice. If you need help in determining your annual accounting period (tax year), see Publication 538, *Accounting Periods and Methods*.

We assigned you a tax classification (corporation, partnership, estate, trust, EPMF, etc.) based on information obtained from you or your representative. It is not a legal determination of your tax classification, and is not binding on the IRS. If you want a legal determination of your tax classification, you may request a private letter ruling from the IRS under the guidelines in Revenue Procedure 2020-1, 2020-1 I.R.B. 1 (or superseding Revenue Procedure for the year at issue). Note: Certain tax classification elections can be requested by filing Form 8832, *Entity Classification Election*. See Form 8832 and its instructions for additional information.

A limited liability company (LLC) may file Form 8832, *Entity Classification Election*, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, *Election by a Small Business Corporation*. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.

VL Each Truck is responsible for knowing and adhering to the rules set forth in this agreement. Parking is available on a first come-first serve basis. **NO PARKING IS ASSIGNED.**

VL Events are rain or shine. In the rare instance that an event is cancelled, the Town Manager will determine whether trucks will be refunded or not be charged for their next scheduled event.

VL Vendor shall indemnify and hold the Town of Windermere, its employees, agents, officials, and contractors, harmless from and against any and all claims; including, without limitation to, attorney's fees (whether incurred before during, or after trial, or upon appellate level) arising from the Vendor's participation in event.

The process after receiving an invite to a specific event date (after being selected by the Selection Committee) is as follows: **texto**

- Once your truck has been approved by the committee, Diane Edwards will contact you for any missing information such as liability insurance or business license.
- Truck Approval lists are updated monthly after each selection meeting. Town Staff will send out availability emails quarterly (December, March, June, and September).
- Schedules are created on a QUARTERLY basis (every three months). **Trucks can expect to be invited to an event zero to one event per quarter due to the high volume of trucks approved by the Town of Windermere Selection Committee.**

Credit Card Authorization Forms can be obtained from Finance Clerk Theresa Syphers ([tsyphers@town.windermere.fl.us](mailto:tsyphers@town.windermere.fl.us)). The Town does not keep these forms on file. A new form will need to be submitted for each event. It is the sole responsibility of the vendor to provide accurate and current payment information; Windermere is not responsible for any overdraft or overage fees associated with the card on file. Late payments will result in additional fees, and too many will result in impact ability to participate in future events.

LP A copy of your Certificate of Liability Insurance with the Town of Windermere (614 Main Street, Windermere, FL 34786) listed as the Certificate Holder, Local Business Tax Receipt, and State of Florida Mobile Food Dispensing Vehicle License will be due upon approval.

LP Vendor is required to provide a trash can with a lid. Removal of trash and cleaning in your area is required, even if it is not yours.

LP Arrival time is 3:00pm. The set-up must wait until all trucks are in place. Trucks will be staged in designated areas prior to entering event space. Please do not arrive prior to 3:00pm; the weekly Farmers Market will be breaking down and early arrival will cause congestion and delays.

614 Main St. Windermere, FL 34786

LP Vendor is to provide their own power supply; either to connect to the Town's electrical supply via quiet/silent generator. All power cords that are in the service area must be secured to the ground to avoid accidents per Florida State Law. Please ensure your cord is the appropriate length.

LP If a vendor wishes to connect to the Town's power, the vendor must identify the amount of amperage needed to run the Truck during the event. Please review the attachment for the appropriate plug and amp size. We also have a 20 amp that utilizes the standard 3 prong plug. It is the Vendor's responsibility to ensure they have the correct plug and to understand their own power needs. The Town will not be responsible for any damage caused by power.

LP Prior to 4:30pm: Should a Vendor arrive without the appropriate hookups, is unable to connect to the Town's power supply, they will be asked to leave the event. Should this occur after 4:30 pm, the Vendor will need to close their Truck and not allow service. They will not be allowed to remove their Truck until after the event has ended.

LP Service time will begin at either 5pm or 6pm depending on the month. Generally, the only month that will begin at 5pm is November. Town Staff will advise us of each month's start time. All events will run until 9:30pm.

LP Each truck should be prepared to serve approximately 250-300 people. Packing and cleaning up is permitted if you sell out prior to 9:30pm. Trucks must remain lit and accessible to optimize a professional look. The event ends at 9:30pm. It is the Vendor's responsibility to ensure they are not preparing/serving food or collecting payments after 9:30pm. Habitual disregard will affect ability to participate in future events.

LP Each vendor must collect 6.5% on all taxable sales.

LP The Town of Windermere reserves the right to alter scheduled dates, rotations, Truck participation, and Truck availability based on cuisine, amperage, and conduct of participants.

LP If a truck is scheduled for a Town of Windermere Food Truck Night event, and cannot attend for any reason, it is the Vendor's responsibility to find a suitable replacement. Good morning,

Thank you for contacting the Florida Department of Business & Professional Regulation, Division of Hotels and Restaurants. There are 3 main State agencies that license and regulated food services; our agency (DBPR); the Florida Department of Agriculture & Consumer Services (FDACS); and the Florida Department of Health. If you hold a license issued by FDACS, you do not need to obtain a DBPR food service license. Any food service license from the aforementioned agencies would be a "State license." If the City of Orlando disputes or has any questions, please ask them to contact us at [dhr.info@myfloridalicense.com](mailto:dhr.info@myfloridalicense.com).

Best regards,
